

Grand Index

This document is a comprehensive index of Mongoose Second Edition Traveller books. The goal was to help people quickly find which books reference specific topics.

The PDFs for the books were used to create the index.

Page references that are italicized briefly discuss the topic. Page references in normal text discuss the topic more fully.

Categories

To facilitate questions like “What weapons are available?”, topics are grouped by category. Categories are kept at a minimum to reduce the number of “What category would this be in?” questions.

Adventures: This category includes all pre-written adventures, including campaigns such as Pirates of Drinax.

Ancients: Entries in this category pertain to the Ancients.

Ancients Site: This category lists all systems with reported Ancients sites.

Armour: This category covers all types of protective gear and armour.

Aslan: This category includes entries pertaining to the Aslan. This includes references to the Hierate as well as The Glorious Empire.

Bestiary: Includes all animal entries.

Career: This category lists the various careers available to characters during the Traveller creation process.

Central Supply: This category includes all non-weapon and non-armour equipment that players can acquire.

Drone: This category lists sample drones. Rules for creating drones are contained in the Robots section.

Droyme: This category includes entries pertaining to the Droyme.

Encounter: This category includes random encounters or scenario-specific encounters from the Journal of the Travellers' Aid Society (JTAS).

High Guard: This category includes entries for shipbuilding rules, equipment, and other starship-related topics

K'Kree: This category includes entries pertaining to the K'Kree.

NPCs: This category includes skill and characteristic blocks for generic non-player characters (NPCs).

Patron: Entries in this category detail potential patrons from the JTAS, who may offer missions, employment, or other opportunities to Traveller characters.

Polity: This category includes political entities and governing bodies that are not given a full write up.

Psionics: This category includes entries related to psionics, including powers, training, institutions.

Robotics: This category covers robot construction and rules.

Robots: This category list the published robots.

Rules: This category includes entries that affect gameplay, typically involving skill checks, dice modifiers (DMs), or specific rules for various situations.

Setting: This category includes entries that provide flavour or background information.

Ships: This category includes ship types with full description and stat blocks; ship mentions are not included. Rules for ship construction are found in the High Guard category.

Skill: This category covers character skills.

Small Craft: This category includes space craft under 100 tons with full description and stat blocks; entries that simply mention the craft are not included. Rules for small craft construction are found in the High Guard category.

Solomani: This category includes entries pertaining to the Solomani.

Sophont: This category lists the sophonts that are not one of the major six.

Sword Worlds Confederacy: This category includes entries about the Sworld Worlds Confederacy.

System: This category includes entries discussing a star system.

Vargr: This category includes entries pertaining to the Vargr.

Vehicle Workshop: This category covers vehicle construction and rules.

Vehicles: This category includes vehicles with full description and stat blocks; vehicle mentions are not included. Rules for vehicle construction are covered in Vehicle Workshop.

Weapon: This category includes description of personal weapons and their modifications, as well as ammo and weapon traits.

Zhodani: This category includes entries pertaining to the Zhodani.
